Daylight Savings Time Begins...Spring Forward

March 11th No School

Professional Development for Staff

Principally Speaking

Student Cell Phone Use: Do you make it a regular practice to go through your child's devices? If not, please start doing so. Officer Chris Flanders was at Saints Peter and Paul on Friday to speak with students about cell phones being a privilege, not a right, especially when they are used to commit a cyber crime. Please be diligent and monitor your child's devices. Be aware of the apps that they have and be aware of the apps that allow people to communicate with your child anonymously. See the separate flyer coming home with 14 Apps that parents should be aware of. Officer Flanders will return later this month to talk with all of our middle school students.

Tax Season— As tax season is now here, it is a good time to check your Smart Tuition account for any outstanding balances.. The school depends on the regular payment of tuition in order to pay bills and our staff. If you are unsure whether or not you have any outstanding tuition, please log in to Smart Tuition today or contact the school office. We greatly appreciate your timely response to this request.

Registration: Saints Peter and Paul registration will be opening soon! Please be sure to watch for a Remind alert, as well as a post in the Panther Press when registration is open. It really is helpful when you register early so that homeroom teachers can be assigned in a timely manner.

SMART AID—Families wishing to apply for scholarships for the 2019-20 school year will need to complete the Smart Aid application. Applications and complete instructions can be found at www.smartaidforparents.com. Applications and supporting documents are due by 12/1/2018 for round one of Bishop Scholarships and 2/2/2019 for round two. There is a \$30 application fee. The Smart Aid application must also be submitted for school awards (no deadline). If you had an account from last year, the information was rolled over. Just log in with the same email address and password. Please email or call Mrs. Leik with any questions.

Snow Days—As you are all aware, we have had a large number of snow days this year! We have had 16 snow days already and winter isn't over yet! Due to the 6 days allowed for snow days, the waiver for the additional 3 days (awaiting approval from the State) and the addition of a school day on Monday, February 18th, and Monday, April 22nd we are still looking at making up a few days. Please leave your calendar open for the week of June 10th. If you already have plans, we will work with you. Nothing is set in stone yet, but we have to explore the options.

Upcoming Dates:
