Registration: Saints Peter and Paul registration is open! A link has been sent out in Remind to all current families. The link is also available at www.ssppcatholic.com, under the registration tab. Register for next year by April 15th for a chance to win a \$25 Meijer gift card.

Tax Season— As tax season is now here, it is a good time to check your Smart Tuition account for any outstanding balances.. The school depends on the regular payment of tuition in order to pay bills and our staff. If you are unsure whether or not you have any outstanding tuition, please log in to Smart Tuition today or contact the school office. We greatly appreciate your timely response to this request.

Student Cell Phone Use: Did you know that to open an Instagram account, you must be 13 years old. Those that are younger than 13 years old can have their accounts reported and deleted. Snap Chat has a similar set of rules. You must be 13 years old or you will be redirected to “SnapKidz”. Please be aware of what is on your child’s phone, as well as the rules for the social media accounts they are creating. Social media is a huge responsibility to take on. That is precisely why the age limits are placed and enforced.

I am currently working on setting up a parent session with *Protecting Young Eyes*. Please watch for more details to come.

Officer Chris Flanders will be returning to SSPP to give a presentation to the students on cyberbullying at the end of March.

The 14 Apps that every parent should be aware of will come home today on a separate flyer.

SMART AID—Families wishing to apply for scholarships for the 2019-20 school year will need to complete the Smart Aid application. Applications and complete instructions can be found at www.smartaidforparents.com. Applications and supporting documents are due as soon as possible, but will continue to be accepted. There is a \$30 application fee. The Smart Aid application must also be submitted for school awards (no deadline). If you had an account from last year, the information was rolled over. Just log in with the same email address and password. Please email or call Mrs. Leik with any questions.

Snow Days—As you are all aware, we have had a large number of snow days this year! We have had 16 snow days already and winter isn't over yet! Due to the 6 days allowed for snow days, the waiver for the additional 3 days (awaiting approval from the State) and the addition of a school day on Monday, February 18th, and Monday, April 22nd we are still looking at making up a few days. Please leave your calendar open for the week of June 10th. If you already have plans, we will work with you,. Nothing is set in stone yet, but we have to explore the options.
