Registration Winners: We currently have 54 families registered for next year! Thank you to all of the families who have completed their registration. Early registration helps with planning for next year! Registration is still being accepted, but the registration fees for existing families have increased.

Our gift card winners are the Grams family and the Long family. Gift cards will be sent home in your child's Friday folders!

School Board Members—The search for new school boards members for the 2019/2020 school year will be beginning soon! If you know a parish member, parent or local professional who would be an asset to the Saints Peter and Paul school community, please give their name and contact information to the school office.

If you are interested in serving on the school board, please let the school office know!

NEW REFERRAL PROGRAM—SSPP is offering a new referral program to our existing families! If you have been sharing about SSPP with other members of the community and they decide to enroll their child, you can get a \$50 tuition credit per child enrolled! If the new family enrolls with two children, that would be \$100 off of your tuition.

The process is simple, just continue to share all of the great things about SSPP with the community! If there is a family that is considering enrollment because of you sharing your experience, please be sure to share the name of the potential new family with the school office. We would love to credit your account!

Smart Tuition— All families that have registered for next year have been entered into Smart Tuition. Scholarships have not been applied at this time. All registration fees are due at the time of your first scheduled payment. The book fee, technology fee and band fee (if applicable) are spread over the course of your scheduled payments. If you have any questions, please contact Mrs. Leik.

SMART AID—Families wishing to apply for scholarships for the 2019-20 school year will need to complete the Smart Aid application. Applications and complete instructions can be found at www.smartaidforparents.com. Applications and supporting documents are due as soon as possible, but will continue to be accepted. There is a \$30 application fee. The Smart Aid application must also be submitted for school awards (no deadline). If you had an account from last year, the information was rolled over. Just log in with the same email address and password. Please email or call Mrs. Leik with any questions.
