and students.

Build it up Lego Contest

We are looking for a creative Lego build that embodies Saints Peter and Paul. It could be your favorite piece of playground equipment, classroom or something more symbolic!

Whatever it is, it should be unmistakably SSPP . . . in LEGO bricks!

Entries should be brought to school on Monday, January 27th!

Winners will be announced at Hall Prayer on Friday, January 31st with prizes going to the top three Lego entries!

Get building!
